1. Of the individuals listed in reference, we have traces only on Heinrichs URKIS: see TL-830, 16 May 1946, page 4. Concerning URKIS, ☐ recalls that he was in Sweden briefly, and then went to Germany. His political views were extreme rightist, ☐ believes.

2. ☐ knows slightly more about Zigurds MEKIS. The latter is at present head of a Latvian organization known as "The Latvian Association in Sweden", at Sveavägen 70, Stockholm. (This group functions primarily as an aid to Latvians in Sweden in questions of visa applications, establishing identities, obtaining employment, and so forth, and is not essentially a political organization.) He is also a member of the Latvian student fraternity, "TALAVIJA". ☐ believes he comes from Riga, of a good family. He is employed by Pan American Airways as a ground-crew man. (☐ will check him with ☐ at the first opportunity.)

3. We are awaiting a reply from ☐ on these persons, and will forward whatever additional information we receive promptly.
